 - Part number VXAUS10557
- 8.7A Bee battery – **fitted to Hurricane 24” only**
 - Part number VXAUS10482

FYI:

- All Mini Eel batteries are the same physical size regardless of capacity, so all are interchangeable.
- All Mini Eel batteries mount in the top of the down tube
- The DS-4C on the Foldaway mounts vertically behind the seat tube
- Both Bee batteries mount on the underside of the downtube and have a release lever as well as a key for retention.
